DOCKET NUMBER

PROPOSED RULE

PR-50

Dear Congressman Jones:

(46 FR 41786)

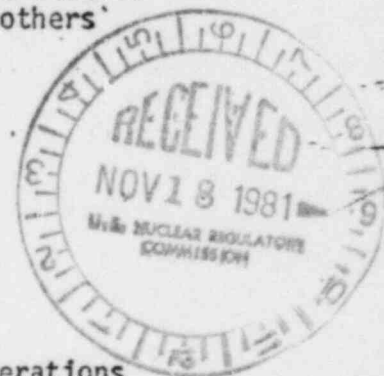

I am responding to your letter dated October 21, 1981, by which you forwarded a copy of a letter from one of your constituents, Sandra K. DuBois. Ms. DuBois' letter offered comments on a rulemaking proposed by the Commission and published in the Federal Register on August 18, 1981. As with other proposed rulemaking actions, the Commission actively seeks comments from the public and considers the merits of all comments received prior to publishing a rule in final form. Please be assured that we will actively consider Ms. DuBois' comments and the others received prior to implementing any final rule.

Thank you for your interest in this issue.

Sincerely,

(Signed) T. A. Rehm
