RE: Dockets 50-247; 50-286

Dear Mr. Carter:

I am requesting permission, as an individual and as a representative of the North Rockland School District to make a statement before the ASBL during the hearings to be held by the Nuclear Regulatory Commission.

Any week-day evening between the hours of 7:00 and 10:00 P.M. would be suitable. It would be most convenient if the Commission were to hold the hearings in some centrally located area in Rockland County.

Thank you for your consideration.

Yours truly,

A. Glen Everhart
Superintendent of Schools
