Docket No. 99900400/81-02

The Babcock and Wilcox Company  
Nuclear Power Generation Division  
ATTN: Mr. D. E. Guilbert  
Vice President and General  
Manager  
P. O. Box 1260  
Lynchburg, VA 24505

Gentlemen:

This refers to the inspection conducted by Mr. D. F. Fox of this office on September 15-18, 1981, of your facility at Lynchburg, Virginia, and to the discussions of our findings with you and members of your staff at the conclusion of the inspection.

Areas examined during this inspection and our findings are discussed in the enclosed report. Within these areas, the inspection consisted of an examination of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, we found no instance where you failed to meet the commitment of your Technical Report No. BAW-10096A or NRC requirements.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within 10 days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than 7 days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the
