Attention: Docketing and Service Branch

Dear Mr. Secretary:

I am writing to request permission to file for leave to intervene in the matter of the licensing of the Seabrook Nuclear Power Plant in Seabrook, New Hampshire.

As a resident and taxpayer in an area contiguous to Seabrook, my input would serve to convey the interests of thousands of other citizens who live in this region and whose lives will be directly affected by the continuous operation of this facility.

Thank you for considering my request to intervene.

Sincerely,

NICHOLAS J. COSTELLO
State Representative
