Dear Mr. Faulkner:

Submission of Working Papers for
Licensing Review Group-II Issues

My November 10, 1981 letter to you outlined the LRG-II schedule for position paper submittals. As indicated in this schedule, information relating to 22 of the LRG-II issues would be provided to you by the end of November. Volume I of the LRG-II Position Papers, covering these 22 issue, is enclosed for your use. Subsequent volumes, covering additional issues, are in preparation in accordance with the schedule.

As you know, the immediate application of these LRG-II positions is for the Staff's review leading to preparation of the SER for the Clinton Power Station. Illinois Power Company, by letter, will indicate that these 22 position papers apply to the Clinton Power Station application. Similar endorsement letters from the other LRG-II participating utilities will also be issued.

Please advise us as to the acceptability of these position papers.

Sincerely,

D. L. Holtzscher
