Gentlemen:

This refers to your application dated January 2, 1980, as amended, requesting an amendment to the Model No. AP-101 packaging to include spent fuel as authorized contents.

By letter of June 1, 1981, additional information required in connection with the review of your January 2, 1980 application was requested. A response as to when the additional information would be provided was also requested within thirty (30) days from the date of our June 1, 1981 letter. On July 6, 1981, you were advised of your failure to respond, at which time you stated you never received the June 1 letter. On July 7, 1981, a copy of the June 1 letter and enclosure was provided to you. As of this date, you have failed to provide the information requested or a date when the information would be provided. In accordance with the provisions of Section 2.108, Title 10 Code of Federal Regulations Part 2, your application for an amendment to the Model No. AP-101 packaging is denied.

In accordance with 10 CFR Part 2, Section 2.103, you may request a hearing with respect to this denial within thirty (30) days from the date of this notice.
