Re: ER-2333

Dear Mr. Kaltman:

Our staff has reviewed the following project and concludes that it will have no effect on any cultural resources either eligible for or listed on the National Register of Historic Places.

Midland Power Plant and Associated Facilities, Midland Michigan.

If archaeological sites, features or materials are encountered during actual construction, please notify the Michigan State Historic Preservation Office.

Should you have any questions or require further assistance, please contact Donald E. Weston, Environmental Review Coordinator for the Michigan History Division at (517) 373-0510.

Thank you for giving us the opportunity to comment and for your cooperation.

Sincerely,

Martha M. Bigelow  
Director, Michigan History Division  
and  
State Historic Preservation Officer
