Mr. W. T. Crow
Division of Fuel Cycle and Material Safety
Office of Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
Washington, DC 20555

Attention: Mr. Douglas Weiss, License Fee Management Branch

Dear Mr. Crow:

Subject: "Application of Renewal of Special Nuclear Material
License SNM 1405", IRT 4171-002.

Reference: Docket 70-1359; SNM 1405

Enclosed are six (6) copies of a revised page 5 of the subject license application. This revision clarifies the possession limits by incorporating symbols and statements showing "less than" as opposed to "equal to" specified limits. Please affix these pages over the existing page 5s.

Thank you.

Yours truly,

K. L. Crosbie, P. E.
Radiation Safety Officer
