MEMORANDUM FOR: Samuel J. Chilk, Secretary
Office of the Secretary

THRU: William J. Dircks, Executive Director
for Operations

FROM: Edward S. Christenbury, Chief Hearing
Counsel, Office of the Executive Legal Director

SUBJECT: NOTICE OF INTENT TO REQUEST HEARING ON EXTENSION OF
CONSTRUCTION COMPLETION DATE IN CONSTRUCTION PERMIT
CPPR-93 FOR THE WPPSS 2 FACILITY

Please find enclosed a copy of a memorandum I received from Darrell G. Eisenhut on November 30, 1981 requesting that the Commission be advised of a recent telephone conversation between a member of his staff and Mr. E. Rosolie of Portland, Oregon, in which Mr. Rosolie stated his intent to request a hearing in the above-captioned matter. Also enclosed is a copy of a letter dated November 27, 1981 from Mr. Schwencer to Mr. Rosolie advising him of the proper procedure to be followed in formally requesting a hearing in this case.

In the event that Mr. Rosolie's written request is transmitted to the staff rather than to the Commission, we will promptly provide you with a copy of that request in accordance with your memorandum of October 27, 1981 to William J. Dircks entitled, "Staff Referral of Hearing Requests to the Commission." However, in the interim, I am providing you with the enclosed correspondence in order that you may be fully apprised of the background circumstances surrounding this request.

Edward S. Christenbury
Chief Hearing Counsel, Office of the
Executive Legal Director
