Gentlemen:

Per a telephone discussion between A. M. Zielinski and B. J. Holt on
December 2, 1985, it is our understanding that you do not wish to pursue
the waste disposal option for krypton-85 outlined in our letter dated
November 14, 1985.

We will, therefore, void your request for a license amendment at this time.
This action is being taken without prejudice to any future licensing requests
you may have on this same subject.

Sincerely,
