License No. 04-19644-01

Gentlemen:

This refers to the special safety inspection conducted by Patricia J. Whiston of this office on June 14, 1988, of activities at your Westerville, Ohio facility authorized by NRC License No. 04-19644-01 and to the discussion of our findings with your staff at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and with the conditions of your license. The inspection consisted of a selective examination of procedures and representative records, observations, independent measurements, and interviews with personnel.

No violations of NRC requirements were identified during the course of this inspection.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

D. G. Wiedeman, Chief
