Dear Chairman Carr:

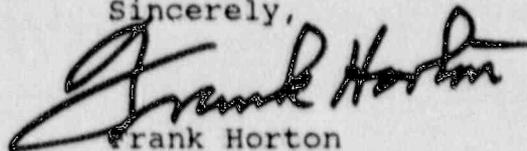

I have been contacted by a group named "Retire Nine Mile One". Though the group is based out of Syracuse, which is not in my Congressional District, Nine Mile One is. I would appreciate your looking into some of the concerns which they have raised.

Enclosed please find a copy of the group's letter. Any comments you might be able to provide regarding the timing of the refueling of the plant and the safety of the Mark I containment design would certainly be appreciated.

Thank you for your consideration of this matter. I look forward to your prompt reply.

With best wishes,

Sincerely,

Frank Horton
