Subject: Decision on position at Maine Yankee

During our conversation of March 1, 1990 at Maine Yankee I gave you confusing information.

Your question was - is my decision to leave the NRC. I believe you left thinking the answer is yes - I am leaving.

To clarify, the answer is - no, I am not leaving the NRC. The reply I received from the FOIA does not pertain to my situation. Consequently I am not leaving the NRC. My answer yes came from the thought that the NRC may make me leave, but that I will not do so willingly. I am seeking more information and will request that I be given 60 days extension to look into this.

I am sorry for the confusion, it was my fault and I apologize, and thank you for taking the time to talk with me, I appreciate that.

Sincerely

Sydney Faulkingham

FREEDOM OF INFORMATION
ACT REQUEST

Attn: D. Grimsley

FOIA-90-31
Rec'd 1-23-90

Dear Mr. Grimsley:

This is a request under the Freedom of Information Act.

I received a letter dated November 2, 1989 from William T. Russell, Region I Regional Administrator concerning outside employment with the State Inspector at Maine Yankee. This letter informed me that the Executive Director for Operations had determined that my outside employment is a conflict of interest. No explanation was given as to the basis of this decision. Since this action will result in loss of employment I am requesting the copies of the following documents:

1. The rules, regulations or case law which formed the bases for determining that State Employment and NRC employment represents a conflict of interest. These documents would be specific to my request of July 24, 1989 (copy enclosed).

In order to help determine my status to assess fees, I am an employee of the Nuclear Regulatory Commission in Region I and am the Administrative Assistant for the Resident Inspector's office at Maine Yankee. I understand that I may be assessed fees to recover copying costs but no fees will be assessed for search or review of documents and that small requests such as this are usually free.

Thank you for your consideration of this request.

Sincerely,

Sydney Faulkingham
