RE: License SUB-1010, Docket 40-8027  
1989 Fertilizer Completion Report

Dear Mr. Haughney:

Attached are eight (8) copies of the 1989 Fertilizer Completion Report describing the application of facility produced ammonium nitrate as a nitrogen fertilizer on Sequoyah Fuels Corporation (SFC) lands near Gore, Oklahoma. In accordance with License SUB-1010 requirements, the report describes the 1989 fertilizer program and results obtained from the comprehensive soil, water and vegetation monitoring program.

If you require further information, please contact me at your earliest convenience.

Sincerely,

  
Scott P. Knight  
Vice President,  
Administration
