Aubrey V. Godwin, Director
Radiological Health Branch
State Office Building
Montgomery, Alabama 36130

Dear Mr. Godwin:

This is in reply to your memorandum dated February 8, 1990 concerning the "Protechnics" request. The request was sent to State Programs and the reply from State Programs is enclosed. The reply appears to be self-explanatory.

Thanks for the opportunity to work with you and your program on this matter. If you have any questions, please give me a call.

Sincerely,
