The Honorable Kenneth Carr
 Chairman
 Nuclear Regulatory Commission
 Washington, D.C. 20555

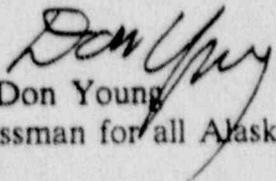

Dear Mr. Carr:

It has come to my attention that Dr. Henry Myers, of the majority staff of the House Interior and Insular Affairs Committee, is requesting certain documents from the Commission.

Most of these documents pertain to the Seabrook nuclear power plant, which was the subject of a recent hearing by the Oversight Subcommittee. Therefore, as the ranking Member of the full Committee, I am requesting that any documentation provided to Dr. Myers also be provided to the minority staff.

I appreciate your attention to this request. I will, of course, respect the confidentiality of any document, if so requested by the NRC. With best regards,

Sincerely,

 Don Young
 Congressman for all Alaska
