Dear Secretary of the Commission
U.S. Nuclear Regulatory Commission,
DOCKETED
90 APR 26 P6:21

Today is Earth Day and I
am a T.A.G. member (Thorium Action Group)
I have spent my day getting
petitions signed by concerned
citizens of Illinois, everyone that
I asked to sign — did sign —
no one turned me down. We
would like for Illinois to
get control of this mess
with Kerr-McGee so we can
ship it out of our Residential
neighborhood. There is 5 school
within 3 blocks or less of
the site. It is not appropriate
for it to stay here.

Please Help!!!
