Gentlemen:

This refers to your letter dated September 12, 1974.

In your letter you indicate that you intend to submit an application to include soil density and moisture nuclear gauges. The use of Form AEC-313R is inappropriate for an application for the use of soil density and moisture nuclear gauges. An application should be submitted on the enclosed copies Form AEC-313. The fee specified in Category 3.L. in Section 170.31, 10 CFR Part 170, should accompany the application.

Your letter indicates that you wish to maintain a license for storage only of the sources and devices specified in License No. 52-12998-01. We need to know your intent with respect to the radiography program.

Sincerely,

151

Nathan Bassin
