RE: NRC RAM License 37-02763-02

Dear Sir:

This letter is written in response to the requirements of NRC Bulletin 92-02, "Safety Concerns Relating to End of Life of Aging Theratronics Teletherapy Units."

The St. Joseph Hospital Cobalt-60 Teletherapy unit is a Theratronics International Limited Theratron 780, SN 74. This unit is exempt from the additional reporting requirements of this bulletin.

If you have any further questions about this matter, please contact me.

Sincerely,

Thomas E. Beeman
President and CEO
