Subject: Proposed New Siting Regulations by the
Nuclear Regulatory Commission (NRC)

Dear Senator Bill Bradley:

The NRC is at it again! They are once more shirking their responsibility to protect the public in favor of catering to the short-sighted, selfish interests of the nuclear power industry.

It is nothing more than another stark betrayal of trust as is outlined in the copy of my enclosed letter to them.

Act! Set them straight!

Sincerely

A handwritten signature in dark ink that reads "Sidney J. Goodman, P.E.".
