REF: PENDING APPLICATION XSNM02730

Dear Ms. Wright:

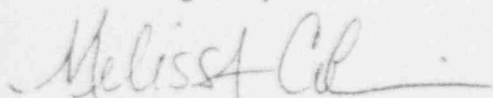

As indicated during our recent telephone discussion regarding pending application XSNM02730 (our reference KKK-77), The Kansai Electric Power Co., Inc., has notified us that they are increasing the quantity of material ordered from the U.S. Department of Energy by 1,895 Kg. We therefore request that the pending application be changed to reflect a new material quantity of 38,968 Kg uranium at 4.15% enrichment with 1,601 Kg U235.

Please note that this total material quantity of 38,968 Kg is composed of two material quantities: 37,813 Kg of uranium at 4.15% enrichment with 1,570 Kg U235 and 1,155 Kg of uranium at 2.65% enrichment with 31 Kg U235.

The country of origin of the source material for the increased quantity of 1,895 Kg uranium is U.S.A.

Please do not hesitate to contact me should you require additional information in support of this request.

Best regards,

Melissa Colvin
