In the Matter of
SACRAMENTO MUNICIPAL UTILITY DISTRICT
(Rancho Seco Nuclear Generating Station)
Docket No. 50-312-DCOM

Dear Jim:

The District is compiling documentation in response to paragraph 4 of CLI-93-3, the Commission's Memorandum and Order of March 3, 1993.

At my request following our telephone conversation yesterday, the District's Nuclear Licensing staff examined that documentation and advised me that none of it relates to the decommissioning funding plan.

Consequently, there in fact is no schedular inconsistency between paragraphs 2 and 4 of CLI-93-3, and no need for you to seek an extension of the schedule established by the Commission in Order paragraph 2.

Sincerely yours,

Tom Baxter
