Change to the ANO Industrial Security Plan

Gentlemen:

The purpose of this letter is to inform the NRC that Entergy Operations has made an administrative title change in the security organization which affects information contained in the ANO Industrial Security Plan. This change implements a change in title from Supervisor, Security Compliance to Coordinator, Security Compliance. The position responsibilities have not been changed. This change affects Section 1.2 and Figure 2 of the Industrial Security Plan. Entergy Operations intends to include this change into the next scheduled revision of the ANO Industrial Security Plan.

In accordance with 10CFR 50.54(p), Entergy Operations has determined that this change does not decrease the safeguards effectiveness of the plan and; therefore, may be implemented without prior NRC approval. The information contained in this letter does not constitute safeguards information as specified by 10CFR73.21.

Very truly yours,

James J. Fisicaro
