Attn: Mr. Bruce Churchill

Dear Mr. Churchill:

This information is submitted as changes in supporting data to our 34-07225-series licenses.

The Waite Manufacturing Division of the Picker X-Ray Corporation has been reorganized to include two additional sub-divisions.

(Plant 2) Picker Industrial Products
Division of Picker X-Ray Corporation
Waite Mfg. Division, Inc.
1688 Arabella Rd, Cleveland, Ohio 44112
-Mr. D. T. Green - General Manager-

and
(Plant 3) Industrial Products Division
of Picker X-Ray Corporation
Waite Mfg. Division, Inc.
1020 London Rd., Cleveland, Ohio 44110
-Mr. R. A. Arrison - General Manager-

The Waite Mfg. Div., Inc. is located in a new building at

(Plant 1) 595 Miner Rd.
Cleveland, Ohio 44143
-Mr. R. C. Schiring - President-

Due to the reorganization and reassignment of personnell it was necessary to change the membership of the Isotope Committee and appoint two additional Radiation Safety Officers.

1888 ARABELLA RD. CLEVELAND, OHIO 44112

On April 4, 1967, Mr. R. C. Schiring appointed the following people to serve as an Isotope Committee:

J. B. Stickney, Chairman
E. W. Coleman
J. Dunn
E. Slagle
D. T. Green
R. W. Arndt
C. W. Hansen

On April 11, 1967, at the first meeting of the new Isotope Committee the following persons were appointed as Radiation Safety Officers:

Plant 1	Mr. E. W. Coleman
2	Mr. D. T. Green
3	Mr. R. W. Arndt

Effective Jan. 1, 1967, the Isotope Facilities under the supervision of R. W. Arndt and located in Plant 3, became part of Picker Industrial Products, Mr. D. T. Green - General Manager. Mr. Arndt reports directly to Mr. Green.

If you require any further information, please let us know.

Sincerely yours,

RW Arndt
R. W. Arndt
