Gentlemen:

SUBJECT: AMENDMENT TO CONFIRMATORY ORDER MODIFYING LICENSE

This is in response to your letter dated March 19, 1993, wherein you requested revision to our Confirmatory Order Modifying License issued to you on November 15, 1991. This Order confirmed your commitment to perform six quarterly audits of your radiation safety program over 18 months.

As stated in your letter, you have completed five of the audits, the most recent of which was conducted on February 23-25, 1993. Your letter requests that the final audit be delayed until the second quarter of 1994 in order to better determine the long term effectiveness of your corrective actions.

I hereby concur with your request. All other conditions of the Order remain in force.

Any questions in regard to this letter should be referred to Charles Cain of my staff at (817) 860-8186.

Sincerely,

James L. Milhoan
Regional Administrator
