Docket No. 030-30696

Dear Mr. Gardner:

SUBJECT: NOTICE OF VIOLATION DATED MARCH 17, 1993

This acknowledges receipt of your letter dated March 23, 1993, in response to our letter dated March 17, 1993, transmitting a Notice of Violation.

Your response indicates that you have filed an application for an amendment to achieve corrective action for Violation No. 1. Requests for amendments to modify or add commitments and procedures are not effective until an amendment has been issued authorizing those changes. Therefore, we caution you regarding implementation of any new procedures before they have been approved by the NRC. Your corrective actions for the remaining violation appear adequate and will be examined during future inspections.

Sincerely,

Gary L. Shear, Chief  
Nuclear Materials Inspection
