Dear Mr. Austin:

This letter transmits survey information, tabbed as Attachment A, which becomes a part of our Book 1, Final Decontamination and Decommissioning Surveys previously sent under the reference (1) and (2) letters which are included for your convenience.

This letter also transmits survey information, tabbed as Attachment B, which is a supplement to Book 3B - Final Decontamination and Decommissioning Surveys previously sent under the reference (3) letter which is included for your convenience.

Copies of Attachment A and B survey data were supplied to ORISE and the NRC Region 1 project manager during already completed site visits.

Finally, this letter transmits final survey data for L Building support areas, tabbed as Attachment C, and subsurface excavations associated with certain equipment and core sampling associated with loading docks, tabbed as Attachment D. We anticipate that these areas will be surveyed by ORISE during their scheduled visit next month.

If there are any questions regarding this submittal, please contact me.

Very truly yours,

  
R. J. Gregg, Director,  
Technical Services
