U.S. Nuclear Regulatory Commission  
Region 3 Materials Licensing Section  
799 Roosevelt Road  
Glen Ellyn, IL 60137

Dear Sir or Madam:

We hereby establish our Irrevocable Standby Letter of Credit No. SDC-743-002515 in your favor, at the request and for the account of Monsanto Company, 800 N. Lindbergh Blvd., St. Louis, MO 63167 up to the aggregate amount of US\$5,830,000.00 (Five Million Eight Hundred Thirty Thousand and 00/100 U.S. Dollars) available upon presentation of:

- (1) Your sight draft, bearing reference to this Letter of Credit No. SDC-743-002515 and
- (2) A Statement purportedly signed by an authorized representative of the U.S. Nuclear Regulatory Commission certifying: "I certify that the amount of the draft is payable pursuant to regulation issued under authority of U.S. Nuclear Regulatory Commission."

This Letter of Credit is issued in accordance with regulations issued under the authority of the U.S. Nuclear Regulatory Commission ("NRC"), an Agency of the U.S. Government, pursuant to the Atomic Energy Act of 1954, as amended, and the Energy Reorganization Act of 1974. The NRC has promulgated regulations in Title 10, Chapter I of the Code of Federal Regulations, Part 30, which require that a holder of, or an applicant for, a license issued under 10 CFR Part 30 provide assurance that funds will be available when needed for decommissioning.

This Letter of Credit is effective as of 11-01-92 and shall expire on 11-01-93 but such expiration date shall be automatically extended for a period of one (1) year on 11-01-93 and on each successive expiration date unless, at least ninety (90) days before the current or any future expiration date, we notify both you and Monsanto Company, as shown on the signed returned receipts. If Monsanto Company is unable to secure alternative financial assurance to replace this Letter of Credit within thirty (30) days of notification of cancellation the NRC may draw up to the full value of this Letter of Credit by presentation of a draft accompanied by a statement purportedly signed by an authorized representative of NRC reading as follows: "Monsanto Company has failed to replace the Letter of Credit referenced in the accompanying draft with other financial guarantees of a substitute Letter of Credit acceptable to the undersigned."

We shall give immediate notice to the applicant and NRC of any notice received or action filed alleging (1) our insolvency or bankruptcy, or (2) any violations of regulatory requirements that could result in suspension or revocation of our charter or license to do business. We shall also give immediate notice if we for any reason, become unable to fulfill our obligation under this Letter of Credit.

Dear Ms. Brotkin:

We have reviewed your letter dated October 27, 1992 requesting changes to your decommissioning financial assurance for NRC License Number 24-01113-23 and find that we will need additional information. The information requested in our letter dated November 10, 1992 pertains to NRC License Number 24-01113-23 in addition to NRC License Number 24-01113-14. Therefore, you need only respond to our letter dated November 10, 1992 to satisfy our concerns regarding decommissioning financial assurance for NRC License Number 24-01113-23.

If you have any questions or require clarification on any of the information stated above, you may contact us at (708)790-5625.

Sincerely,

Original Signed By
