13921

UNITED STATES OF AMERICA NUCLEAR REGULATORY COMMISSION before the ATOMIC SAFETY AND LICENSING BOARD

193 APR 29 P 4:109

In the matter of Pacific Gas and Electric Company Diablo Canyon Nuclear Power Plant Units 1 and 2 Facility Operating Licenses

No. DPR-80 and DPR-82

Docket Nos. 50-275-DLA-2 50-323-DLA-2 ASLBP No. 92-669-03-DLA-2

April 26, 1993

Intervenor San Luis Obispo Mothers for Peace Reply to Pacific Gas and Electric Company's Motion to Strike in Part San Luis Obispo Mothers for Peace Filing Regarding Addendum to FES

On April 8, 1993, San Luis Obispo Mothers for Peace ("SLOMFP") filed its Response to Memorandum and Order (Addendum to FES). It was a 2 1/2 page document responding to the Licensing Board's questions. On April 14, 1993, Pacific Gas and Electric Company ("PG&E") filed a Motion to Strike in Part SLOMFP Filing Regarding Addendum to FES. PG&E went into a 2 1/2 page tirade about the SLOMFP's "long argument regarding the need for an EIS." PG&E Motion to Strike at 2. For the record, SLOMF? reaffirms that it has a legitimate argument. In its response to the Board's second question, SLOMFP explains its view that the generic methodology used to produce the Environmental Assessment is inadequate and why. This response was responsive to the Board's questions and SLOMFP has every right to reply in this manner; PG&E's motion to strike in part SLOMFP filing regarding the Addendum to FES should be denied.

Respectfully Submitted,

Marray Culve

Nancy Culver, President San Luis Obispo Mothers for Peace P.O. Box 164 Pismo Beach, CA 93448
