RE: Nuclear Materials Inspection/Section 2
License No: 21-13717-02
Docket No: 030-12532

Dear Ms. Matson:

In response to our reply to the notice of four item violations, be assured that I will, along with our physicist review and audit not only the four violations but all of our procedures in the nuclear room. These reviews will take place quarterly and will be so noted and logged.

Thank you for your interest in this matter.

Sincerely,

Anthony P. Kozma, D.O.
Radiologist
