

DL&R:MM
Docket No. 30-10

OCT 6 1960

Mr. J. J. Poer
General Staff Engineer
Commonwealth Edison Company
72 West Adams Street
Chicago 90, Illinois

Dear Mr. Poer:

This is to acknowledge receipt of the amended fuel requirements schedule for the Dresden Nuclear Power Station which you submitted to us on September 28, 1960.

This data will be used in computing the allocation of special nuclear material for the Dresden reactor. You will be informed when action is taken on this matter or if additional information is required.
