

001635

DOCKET NUMBER PR-30, 32, 70, 150
PROPOSED RULE (45 FR 70374)
FEBRUARY 1981

Secretary of the Commission
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Attn: Docketing & Service Branch

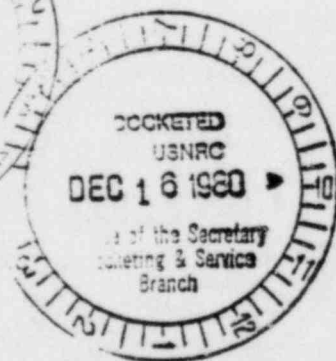

To whom it may concern:

I urge you to retain the regulations prohibiting possession, use, and transfer of low-enriched uranium as a contaminant in metals. All radiation is dangerous and I will not tolerate products made from this radioactive scrap metal to be used in daily life.

Please respond to me on this matter.

Yours,

Mary Tidwell
