SMELTED ALLOYS

2 Ferrace Circle
Great Neck N.Y.
Dec. 10, 1980

Dear Sir,

-You- are going to kill the
people in the world. Why don't
you destroy the Radioactive scrap
metal. I am a student of Lakeside
school am a fourth grader. I am
so mad of what you are
doing with the Radioactive scrap
metal.

Frome, Bobby
