MOD. & UTIL. FAC. 3700L

Dear Sir
As a citizen of Charlotte, N. C.
I am very concerned about the
Effect. The Mc Cuire Nuclear
Plant will have on other
Citizens of Charlotte. As for
me I do not want to live
just so Duke Power Company
can make more money. I for
one am tired of paying those
Bills. Duke Power's Bills that is
your or there plan to Evacuate
the people I know about
20% of the other 80% of the people
stayed at home. I would like
to see Duke Power Company Not
get a license to operate their
Plant. Because I know what
radiation can do I was in
world wars in the South
west Pacific. just ask any

Japanese if they want any thing
to do with A Muslim Power Plant
~~and then~~ denied if you would
want to fire new one. I do not
but I have to. It is 16 miles
away. Just remember that we have
in Charlotte and ~~everywhere~~ Everywhere
else are people. We do not want
to be used as pigs or something
else. Sir if I had a way to work
I would. I am total disabled.
So I ask you to not give
Duke Power a license to kill
of all of the people in and
around Charlotte.

Sincerely
Robert J. Jannette
