Mr. Samuel J. Chilk, Secretary
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555

RE: General Electric Company -- Vallecitos Nuclear Center,
General Electric Test Reactor (GETR), Docket No. 50-70,
Operating License No. TR-1 (Show Cause Proceeding).

Dear Mr. Chilk:

I am very interested in the resumption of operation of the GETR at the earliest possible date.

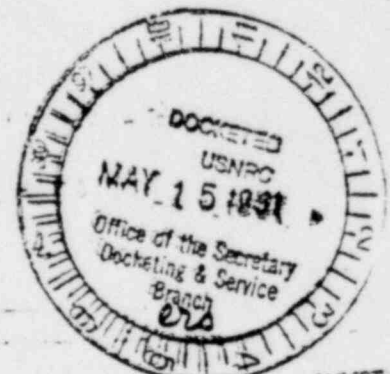

Pursuant to Section 2.715(a) of the Nuclear Regulatory Commission's Rules of Practice, I would therefore like to make a limited appearance, in person, at the public hearing in this proceeding to express my views on this matter.

I prefer to appear on June 1, 1981, in San Francisco. Please notify me of the time and place for my testimony.

Sincerely,

Kenneth R. Mercer,
Mayor
