Subject: Virgil C. Summer Nuclear Station
Docket No. 50/395
NUREG 0612, Control of Heavy
Loads at Nuclear Power Plants"
Nine Month Report

Dear Mr. Denton:

South Carolina Electric and Gas Company (SCE&G) hereby forwards ten (10) copies of the Virgil C. Summer Control of Heavy Loads Nine Month submittal as required by NUREG 0612. This report provides information required by Sections 2.2, 2.3 and 2.4 from Enclosure 3 of D. G. Eisenhower's letter, dated December 22, 1980. As formatted this report contains all the information submitted in the six month report in addition to that information required in the nine month report. Thus, this replaces the six month report in its entirety.

To ensure that a complete report is assembled, please follow the instructions listed below.

1. Replace existing cover with new cover insert (provided).
2. Remove existing text and replace with new text, which includes Appendices A and B.
3. Do not remove existing figures, which will follow Table 3-1; these figures have not changed.

With this transmittal, SCE&G has provided the subject report in its final form.

If you have any questions, please let me know.

Very truly yours,

for T. C. Nichols, Jr.
