

11/27/81

Mr. Hendrie:

Humbolt Bay Nuclear Power Plant is
a mess. Their license should be
revoked. PG&E knows it's a mess,
but ~~were~~ won't consider decommissioning
the plant. \$!!

Listen to the Intervenor.
Think about Humbolt Bay Nuke
corroding & leading the parade
of nuclear power plant messes.
Please be strong. Radioactivity
& nuclear waste is not a matter
to be taken lightly.
