Docket Nos. 50-454, 50-455

Steven C. Goldberg, Esq.
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

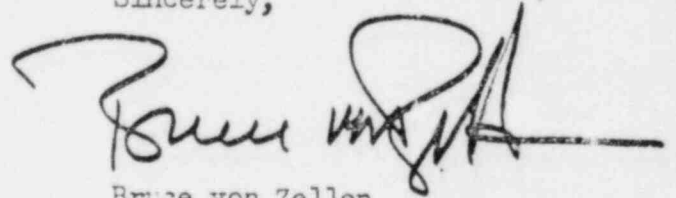

Dear Mr. Goldberg,

I have been informed that, despite my notifying the Atomic Safety & Licensing Board (ASLB) months ago (about July, 1981) of the dismissal of Mr. Kenneth Levin as DAARE/SAFE lawyer, no representative of DAARE/SAFE was placed on the ASLB Service List to receive official documents.

I hereby request that my name be added to the ASLB Service List and that I receive copies of all past documents concerning the DAARE/SAFE intervention on the Byron Nuclear Power Stations.

Sincerely,

Bruce von Zellen
