Re: San Onofre Licensing Hearings

Dear Mr. Kelly:

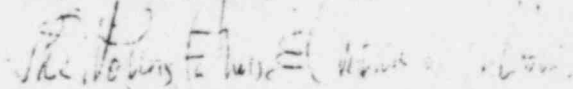

This letter is sent to you on behalf of myself and all of my friends.

We are asking that evacuation plans be drawn up prior to testing of the San Onofre new plant. This seems to be the proper approach to us, and we welcome your support in joining us in moving in this prudent direction.

We will watch your decisions carefully and hope to be able to support them fully.

Thank you for your cooperation.

Very truly yours,
