Page 2

EP-SEC-2	Security Force Response to Emergencies
EP-SEC-3	Personnel Accountability, Initial and Maintaining
EP-RET-2B	Gaseous Effluent Sample and Analysis
EP-RET-2F	Personnel Decontamination
EP-RET-4A	EOF Radiological Monitoring
EP-RET-4B	Radiological Controls at the Site Access Facility

Several of the enclosed procedures will be revised and reissued based upon findings contained in the NRC Emergency Preparedness Appraisal report dated October 29, 1981. A complete issue of the Emergency Plan Implementing Procedures, in a single binder, will be made during December. Although the enclosed procedures are currently approved, the impending reissue of the implementing procedures should be considered in conducting your review.

Very truly yours,

E. R. Mathews, Senior Vice President
Power Supply & Engineering
