ATTN: Freedom of Information Officer

Dear Sir or Madame:

Koh Management and Computer Systems, Inc. is a small, minority-owned company whose main business is in the Automatic Data Processing area.

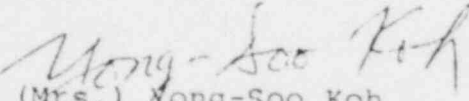

We have recently received notification by the Small Business Administration that we have been approved for participation in the "8A" Program. In light of this notification, we are initiating a strong marketing campaign to secure new business under the "8A" Program.

To assist us in further defining our marketing campaign and marketing potential, it would be helpful to obtain a list of all current 8A contractors and subcontractors in the ADP area which are currently providing support to your agency. In addition to the names of the contractors/subcontractors, we also request the estimated dollar value of each award, the dates of the contract, (start date and end date), and the specific office(s) within your agency which are receiving the support, including a point-of-contact and a phone number.

We make this request under the specifications of the Freedom of Information Act and our understanding of such act, including a response back to us within 10 days of receipt of this request.

Your prompt attention and cooperation in helping us obtain this important information will be greatly appreciated.

Sincerely,

(Mrs.) Yung-Soo Koh
President
