Gentlemen:

This refers to the telephone conversation between Messrs. C. Williams and D. Hayes and Mr. K. Graesser and others of our respective staffs on December 11, 1981, regarding Auxilliary Feedwater Pump operability at the Zion Station. With regard to the matters discussed we understand that the Zion Unit 2 reactor will remain in the shutdown condition until you have completed the following:

Identified the cause of the Auxilliary Feedwater Pumps not starting when required on December 11, 1981, and have corrected the problem; or provided assurance that the Auxilliary Feedwater Pumps will start when called upon to do so and this matter is concurred in by this office.

Please inform us immediately if you have any questions concerning this matter.

Sincerely,

James G. Keppler  
Regional Administrator
