Docket No. 50-334

Mr. J. J. Carey
Vice President, Nuclear
Duquesne Light Company
435 Sixth Avenue
Pittsburgh, Pennsylvania 15219

Dear Mr. Carey:

The purpose of this letter is to clarify the intent of our letter dated November 9, 1981, which forwarded an evaluation, using NUREG-0819, to determine whether the proposed conceptual design plan fulfills the design concept of NUREG-0696.

The evaluation, NUREG-0696 and NUREG-0814 provide guidelines only and do not establish requirements. You should view these documents in that light during the preparation of your response to our request for additional information. We have reevaluated our request that you respond within 45 days of November 9, 1981 and will provide further guidance concerning an appropriate response date by separate correspondence.

Sincerely, signed By:

M. Eisenhut
