Dear Dr. Berke:

Thank you for your letter dated December 11, 1981, informing us of the steps you have taken to correct the noncompliance which we brought to your attention in our letter dated November 16, 1981.

Your proposed method of analyzing wipe tests has been reviewed by B. J. Holt of our Materials Licensing Branch and is acceptable. However, requests for license amendments should be directed to the Licensing Branch along with the appropriate fee. You may obtain information regarding license amendments by calling (312) 932-2747 or 932-2625. We will examine these matters during a future inspection.

Your cooperation with us is appreciated.

Sincerely,
