Re: Wisconsin Electric Power Company  
Point Beach Nuclear Plant, Units 1 and 2  
Docket Nos. 50-266 and 50-301  
Operating Licensing Amendment

Dear Judge Bloch:

This letter confirms the substance of telephone conversations you and I had December 21, 23 and 28, 1981 regarding the due date for actions required of Westinghouse Electric Corporation as a result of your Memorandum and Order in the above-styled proceeding dated December 21, 1981. I related that many key Westinghouse employees take leave at this time of the year and that I was unable to reach persons involved in proprietary issues, particularly Mr. Robert A. Wiesemann, whose affidavits have been the subject of parts of the Memorandum and Order. As a result, you have revised the due date for Westinghouse to respond to the Order until December 31, 1981.

Very truly yours,  
*Francis X. Davis*
