APPLICANTS' MOTION FOR
EXTENSION OF TIME

Applicants respectfully request that the period of time for responding to "Sunflower Alliance, et al., Motion for Leave to File Additional Contention" be extended from January 4, 1982 to January 8, 1982. As good cause for this extension, Applicants would point out that the Motion, while bearing a "Proof of Service" dated December 18, 1981, was received on December 28, 1981 in an envelope postmarked December 24, 1981. Had the Motion been dated December 24, 1981, the day it was postmarked, Applicants response would be due on January 8, 1982.

If the requested extension is granted, Applicants would assume that a comparable extension would be granted to the NRC Staff, so that their response could be made after their receipt of Applicants' response, as contemplated by 10 CFR §2.730(c).
