### 2. Expiration of License

The inspector contacted the licensee by phone on October 9, 1981 and notified him that his license 08-16855-01 had expired on January 31, 1981. The licensee informed the inspector that he possessed no byproduct material and wished to have his license terminated. This was confirmed in a letter sent by the licensee to the Regional Office on November 30, 1981.

## 3. Evaluation by the Regional Office

Region I has evaluated the information supplied by the licensee and has determined that a closeout survey is not necessary and that this license should be retired.
