Secretariat
Record Copy

July 16, 1976

MEMORANDUM FOR: Lee V. Gossick, EDO

WJH FROM: Thomas J. McTiernan, Director
Office of Inspector and Auditor

SUBJECT: GAO DRAFT REPORT ENTITLED "POOR MANAGEMENT OF A NUCLEAR
LIGHT WATER REACTOR SAFETY PROJECT (OIA CODE 76A-34)

Attached are 10 copies of the subject report for your use in developing NRC's comment. Because GAO is committed to providing the House Appropriations Committee with the final version of this report by the first week in August they have asked NRC to provide comments as soon as possible.

The Commissioner's staffs should forward their comments to the EDO for coordination.

Please let us know if you have any problems concerning the subject draft report.

Attachment: -T n B . P.
As stated above.
