FOIA-81-351
Rec'd 9-1-81

August 27, 1981

Dear Sir,

Pursuant to the Freedom of Information Act as amended (5 U.S.C. 522), I hereby request copies of the transcript, notes, recordings, or other records of a meeting held at NRC during which officials of the FEMA National Office reported on the interim state of emergency preparedness around nuclear power plants in New York State. This meeting was held around the 18th or 19th of August, 1981.

We are interested in this material for our research on emergency planning for the Indian Point plants.

As provided in your regulations implementing the Freedom of Information Act, I look forward to your response within ten working days, and please notify me if the estimated cost incurred exceeds \$25.00.

If you have any questions regarding this request, please contact me or my associate Lisa Barnett at the above number.

Thank you in advance for your attention to this matter.

Sincerely,

John Miglietta
