

JAN 19 1982

Docket No. 50-454
Docket No. 50-455

Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Vice President
Post Office Box 767
Chicago, IL 60690

Gentlemen:

Thank you for your most recent letter dated December 21, 1981, informing us of all the steps you have taken to correct the second violation identified in our Inspection Reports No. 50-454/81-09; 50-455/81-08 forwarded by our letter dated August 24, 1981. Your letter dated November 25, 1981, responding to our letter dated November 5, 1981, which indicated your initial response dated September 24, 1981, was incomplete for Violation No. 2, again did not provide a complete response. Your latest response, which resulted from a discussion between Mr. D. H. Danielson of this office and Mr. R. Tuetken of your site staff, adequately documents your corrective actions. We will examine these matters during a subsequent inspection.

Your cooperation with us is appreciated.

Sincerely,

"Original Signed by C.E. Norelius"

C. E. Norelius, Director
Division of Engineering and
Technical Inspection
